Thursday, August 12: High Note

Maggie is the overworked personal assistant to Grace Davis, a superstar singer whose talent and ego have reached unbelievable heights. Stuck running errands, Maggie still wants to fulfill her childhood dream of becoming a music producer. But when Grace's manager presents her with a choice that could alter the course of her career, Maggie and Grace come up with a plan that could change both of their lives forever.

Thursday August 26: The Father

Anthony (Academy Award Winner, Anthony Hopkins) is 80, mischievous, defiantly living alone and rejecting the carers that his daughter, Anne (Academy Award and Golden Globe Winner, Olivia Colman), encouragingly introduces. Yet help is also becoming a necessity for Anne; she can't make daily visits anymore and Anthony's grip on reality is unraveling. As we experience the ebb and flow of his memory, how much of his own identity and past can Anthony cling to? How does Anne cope as she grieves the loss of her father, while he still lives and breathes before her? The Father warmly embraces real life, through loving reflection upon the vibrant human condition; heart-breaking and uncompromisingly poignant, this is a movie that nestles in the truth of our own lives.
